

SAGE 2022 Manila

4th Southeast Asian Gateway Evolution Meeting
8. – 12. August 2022 Manila, Philippines

We cordially invite you to the fourth International conference on Southeast Asian Gateway Evolution (SAGE 2022) in Manila, the Philippines. This scientific meeting focuses on the origin, diversification, and conservation of Southeast Asia's megadiverse fauna and flora embedded into the context of the region's complex geology and climate history. We are looking forward to welcoming you to this multi-disciplinary meeting with contributions to biodiversity science, biogeography, palaeontology, geology, climatology and conservation.

This conference is hosted by the Ateneo de Manila University, a premier private Higher Education and Research Institution in Quezon City, Metro Manila, in collaboration with the Museum für Naturkunde Berlin and the Philippine National Museum of Natural History. The venue inside the green and safe Ateneo campus can be reached conveniently from the airports of Manila and Clark in 30 min to 2h.

Call for Symposia

We currently invite proposals to convene symposia on any of the conference's major topics (biodiversity, biogeography, geology, palaeontology, climatology, conservation). We especially encourage multi-disciplinary topics. Please contact the conference office for more details and submit symposia proposals before 31 August 2021.

Time schedule and deadlines

31 August 2021	Call for workshops & symposia closes
1 January 2022	Abstract submission and online registration opens
1 April 2022	Deadline for submission of abstracts and early registration

Organizing committee

Prof. Dr. Hendrik Freitag (Ateneo de Manila University, Quezon City)
Dr. Thomas von Rintelen (Museum für Naturkunde, Berlin)
